FREE Narcan Training Available

The Gloucester County Board of Chosen Freeholders and Gloucester County Addictions Task Force will hold training sessions as part of the county's continued effort to save lives while battling the opioid epidemic within the community.

Stopping an epidemic requires the support and assistance of the community as a whole. The goal of each session is to teach attendees what they need to know about NARCAN and how to use it.

The Overdose Prevention Act now allows doctors the ability to prescribe the opiate antidote Narcan (naloxone) to those in a position to help someone else during an overdose of heroin or other opioids. The law also eliminates civil and criminal liability to anyone who administers naloxone.

The sessions are free to attend but pre-registration is required as space is limited with only about 20 people able to attend per session. Free kits will be available to those who attend.

Trainings provided by Urban Treatment Associates, funded by NJ-DMHAS

Training sessions will take place from 6 to 8 p.m. on the following days:

Wednesday, March 13
 Greenwich Library,
 411 Swedesboro Road, Gibbstown

Wednesday, April 10
 West Deptford Library
 420 Crown Point Road, West Deptford

Wednesday, May 8
 Gloucester County Library
 Mullica Hill Branch
 309 Wolfert Station Road, Mullica Hill

Wednesday, June 12
