

## LOCAL PUBLIC QUESTION

Are you in favor of authorizing the Township Committee to utilize funds maintained in the Open Space, Recreation, Farmland, and Historic Preservation Trust for the development of lands acquired for recreation and conservation purposes?

### EXPLANATION

By voting "Yes" to this non-binding question, the Township Committee will be authorized to expend funds maintained in the Open Space, Recreation, Farmland, and Historic Preservation Trust for the development of lands acquired for recreation and conservation purposes. At present, those funds may be used only for the acquisition and maintenance of said lands. The Township Committee would have much greater latitude to use those funds to create much needed recreational facilities for use by Township residents. *No new tax will be imposed.* By voting "No" the Township Committee will be precluded from using the funds for development and would have to resort to funding sources such as bonding to develop said lands.
