NOTE: The banner must be 16 feet above the road. The banner must not obstruct any traffic signal visibility. (See attached)

Applicant agrees to hold the County and its agents harmless against any claims made by any person or entity as a result of the banner.

This form may be faxed to the Permit Division at 856-307-6409, or you may call Joan Gonskerkevis for information at 856-307-6657.

INSTALLING BANNERS OVER COUNTY ROADS

It is the policy of the County of Gloucester to prohibit the installation of unauthorized banners over County roads.

To this end no person, municipality or other entity shall be permitted to install any banner over any County road or right-of-way, and any existing unauthorized banners shall be forthwith removed.

Any person, municipality or other entity desiring to install a banner over a County Road shall apply for a permit from the Gloucester County Public Works Committee. The Public Works Director is authorized to issue such a permit for the Public Works Committee.

Applicant agrees to hold the County and it's agents harmless against any claims made by any person on entity as a result of the banner.

The applicant will provide proof that the County has been added as a co-insured on Applicant's liability policy for this event in the amount of no less than \$1,000,000.00. The County's name and address will appear on said Certificate of Liability Insurance as follows:
