1	3/17/2020	Female	57	Glassboro

At this time, the overall threat of COVID-19 to Gloucester County residents remains low. Gloucester County is expecting cases to rise.

Social distancing is critical in flattening the curve and reducing cases. A mask should only be worn if a healthcare professional recommends it. Most people with mild symptoms do not need to be tested. It is important to stay home and isolate from others while sick.
