Daily numbers are obtained through the NJDOH database (CDRSS) and do not necessarily reflect the actual date of a positive case. (In specific instances data dumps correcting past/historical cases that should have been assigned to Gloucester County occur, which skew the numbers reported on any given day.)

Gloucester County DOH conducts case investigations and contact tracing on all lab confirmed cases. If you are contacted, please answer the call and help us to flatten the curve and mitigate the spread of COVID-19!

At this time, the overall threat of COVID-19 to Gloucester County residents remains low. Gloucester County is expecting cases to rise. Social distancing is critical in flattening the curve and reducing cases.

New Jersey residents can call 2-1-1 or 1-800-962-1253 with questions. The call center is open 24/7 and has multi-language capacity.

Residents can also text NJCOVID to 898-211 to receive text information and stay informed. To receive live text assistance, text your zip code to 898-211.

Please note that the call center is not able to diagnose or give medical recommendations. Healthcare providers should be contacted if medical advice is needed. People should call their doctor or hospital before going so healthcare staff can provide instructions on getting care.

Most people with mild symptoms do not need to be tested. It is important to stay home and isolate from others while sick.

Please continue to check the CDC at www.cdc.gov and New Jersey Department of Health www.nj.gov/health/ websites for updates.

The Gloucester County Department of Health can be reached at (856) 218-4101 or by visiting www.gloucestercountynj.gov.
