### **REQUEST FOR RELEASE OF FUNDS (REVISED)**

On or about April 24, 2025 the County of Gloucester will submit a request to the US Department of Housing and Urban Development (HUD) for the release of HOME Program funds to undertake the following project:

#### **Environmental Assessment (EA)**

**Project Title:** 145 S. Academy Street Affordable Housing Development

**Address of Project Site:** 145 S. Academy Street, Glassboro, Gloucester County, NJ

**Funding Sources:**

HOME Investment Partnerships Program \$150,000

**Estimated Total Project Cost:** \$201,310

**Project Description:** Gloucester County proposes the use of \$150,00 in HOME funding for the development of affordable housing at 145 S. Academy Street in Glassboro. The Gloucester County Habitat for Humanity, Community Housing Development Organization (GCHF-HCHDO) proposes to build one single-family, 3-bedroom, 1,249 square foot Energy Star compliant, well ventilated, contaminant free, clean, dry, pest free, well-maintained home situated in the Borough of Glassboro. The newly constructed home will be maintained as a low-moderate-income housing unit for a minimum of 30 years. The objective of this project is to provide a GCHF partner family with a safe, decent, and affordable home while adding to the owner-occupied housing stock in the Borough of Glassboro, which hosts a large university and many college students and a median property value that is unaffordable for many who want to live in Glassboro.

**Level of Environmental Review Citation:** The activities listed immediately above require an Environmental Assessment under HUD regulations at 24 CFR Part 58, Section 58.36 from National Environmental Policy Act (NEPA) requirements.

### **FINDING OF NO SIGNIFICANT IMPACT**

The County of Gloucester has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the

National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at 1480 Tanyard Road, Sewell, NJ 08080, and may be examined or copied during regular business hours.
