Hello,

The Gloucester County Mega Vaccination Site has opened and is ready to vaccinate our residents and New Jerseyans across the state. Our senior population is important to us, so it was a top priority to inform you of how you can receive the vaccine.

At this time, all individuals over the age of 65 are eligible to receive the vaccine. You can register on the NJ Vaccine Scheduling System and you will be notified when an appointment is available to you: <https://covidvaccine.nj.gov>

The COVID-19 vaccine will be available without cost sharing barriers. Based on the CDC COVID-19 Vaccination Program Provider Agreement, **all providers must vaccinate individuals regardless of whether they have health insurance coverage or what type of coverage they have, and are prohibited from balance billing or otherwise charging vaccine recipients.**

Having an appointment time is recommended as vaccinations are not guaranteed for walk-ins.

If you have received a vaccination appointment time and are handicapped, please notify the Gloucester County Division of Senior Services at (856) 384-6900 so we can make arrangements to assist you.

The Gloucester County COVID-19 Hotline can be reached Monday through Friday from 8:30 a.m. to 4:30 p.m. at (856) 218-4142. **Please note: this hotline will not be able to register you for a vaccine or appointment time.**

The New Jersey State COVID-19 hotlines are available 24/7 at:

- General COVID-19 Questions: 2-1-1
- Medical COVID-19 Questions: 1-800-962-1253

If you have more questions, please visit covid19.nj.gov or gloucestercountynj.gov.
