

PUBLIC QUESTION TO BE VOTED UPON

PUBLIC QUESTION

Should the membership of the Wenonah Board of Education be reduced from nine (9) members to seven (7) members?

INTERPRETATIVE STATEMENT

The Wenonah Board of Education has had nine (9) members since its inception, while other Boards of Education in surrounding communities of similar sizes have seven (7) members. This reduction would ease the inability of the Board to maintain full membership as well as solve issues obtaining a quorum for meetings.
